RE: HABPI's 4th Annual Ride for Trails Sponsorship Opportunities

~~~~~

Dear Gettysburg Area Businesses and Community Members,

On behalf of Healthy Adams Bicycle/Pedestrian, Inc. (HABPI), I am writing to offer you an opportunity to participate as a sponsor in the 4th Annual Ride for Trails.

This bike ride will take place on Saturday morning, September 28, 2019 beginning and ending at the Gettysburg Area Recreation Park. Three different routes are being offered: 12-, 25-, and 37-mile rides. All rides travel through the Gettysburg National Military Park and over the picturesque Sachs Covered Bridge. The longer rides will also wind their way through the quiet roads of southern Adams County. To make this event complete, a lunch is provided after the rides.

We are looking to our Gettysburg area businesses and community members to help us sponsor this event. Last year we had more than 110 riders and volunteers participate in the event. We also had 25 sponsors support us. We're hoping you will join us this year to make our major fundraiser an even bigger success. All sponsors will be recognized on ride day and on the ride t-shirts.

Proceeds will be used to design, develop, and maintain trails and bike routes in and around Gettysburg. HABPI is currently pursuing development of an off-road bike/pedestrian trail from Gettysburg south to the Maryland border that will fill in one of the missing pieces of the Grand History Trail. A study of potential routes for the trail is in progress now.

If you are interested in participating, please contact me at your earliest convenience or complete the attached sponsorship form and mail it along with your contribution to HABPI.

More information about HABPI and its 4th Annual Ride for Trails, please visit our website at [www.habpi.org](http://www.habpi.org). HABPI is a 501(c)(3) organization. HABPI does not have any paid staff. All proceeds go directly towards trail development and maintenance and other bicycling/pedestrian activities.

Thank you for your donation.
